

Nomination of the Sustainability Committee

To all Green Future Project's Stakeholders,

We are pleased to announce the nomination of the Sustainability Committee for Green Future Project. This committee will play a crucial role in guiding our sustainability initiatives and ensuring that our organization meets its environmental and social responsibility goals.

The members of the Sustainability Committee are as follows:

Members:

1. Giulia Burchi, Impact & Project Manager
2. Claudia Morandi, Marketing Manager
3. Flavia Zallocco, CPO
4. Stefano Pozzato, CSO
5. Francesco Monaco, Customer & Partner Specialist

This committee will be responsible for:

- Identifying and recommending sustainability practices for implementation.
- Monitoring the progress of sustainability programs.
- Promoting awareness of sustainability within the organization.
- The Grievance / Complaints Mechanism
- The Whistleblowers Protection Policy

The Committee will gather regularly on a quarterly basis, assessing all the topics on the agenda.

We are confident that this committee will make a significant impact in advancing our commitment to sustainability.

Sincerely,

The Green Future Project's Sustainability Committee
